Committees Announced At Meeting

A Park Development Committee and a City Library Board will be named at a city commission meeting at 7 o'clock tonight in the Canyon Community Center.

City Manager George Loudder said five members will be appointed to the library board and seven members will serve on the park committee.

Before the library board is named, commissioners must pass a city ordinance creating the board.

The park board will consider the formation of a second city park located at the sewer treatment plant in the southeast section of the city.

Also on the agenda for tonight's meeting is a report from Loudder about CATV franchise contracts other cities have adopted. He said he will make a recommendation to the city dads about a CATV franchise in Canyon.

West Texas Bank Awarded Contract

Canyon School Board awarded its depository contract Tuesday night to West Texas State Bank of Canyon.

First National Bank of Canyon was the only other bidder for the contract.

West Texas State offered to loan money to the district up to its legal maximum of $100,000 at no interest.

First National bid to charge 4½ percent interest for loans up to 30 days and 4 percent for loans of more than 30 days.

Bill Adams, president of the First National, said it was illegal for a bank not to charge interest. Superintendent Jerry Jacobs quickly explained the board's attorney told them two years ago "that is the bank's problem, not the board's."

"In essence, I believe the bank is in violation if they do not charge interest," Adams reported.

"Has an outsider paid interest on your loans?" Adams quizzed business manager Bob Phillips.

"No, not to my knowledge," Phillips replied.

"It is not illegal to bid no interest charged," David Levens, president of the West Texas State Bank, assured.

West Texas State Bank also agreed to pay interest

Injuries Fatal To R.L. Kizer

Funeral services are pending at Singleton Funeral Home in Denver City for Robert L. Kizer, 21, who died at 9:30 a.m. Wednesday in Northwest Texas Hospital of injuries received in a motorcycle-car mishap late Tuesday night.

Kizer, a Canyon resident, was traveling north on Bell Avenue when he collided with a car driven by Randall E. Carmon, 22, who was traveling west on Interstate 40 service road. The motorcycle Kizer was riding hit the left side of Carmon's car, investigating officers said. Carmon was uninjured.

Kizer was taken to Northwest Texas Hospital by Metropolitan Ambulance Service.

Kizer was born May 30, 1950, in Crosbyton. He grew

Hospital District Addition Hinders

BY MARGO CRABTREE

Randall County commissioners are pondering the problem of adding the new hospital district taxes to the county and state statements in time for property owners to take advantage of an early pay discount.

Mrs. Audrey Bruse, county tax assessor-collector, said she felt certain it may be early December before the statements could be mailed out if they are held until her office can identify all property in precinct 3. This would eliminate a 3 percent discount that is allowed if taxes are paid in October and a 2 percent discount if paid in November.

"If we do a separate tax roll for the hospital district and mail it out late, then the state and county statements will make it out by Oct. 1," Mrs. Bruse predicted. She said work on the statements is on schedule now.

Commissioner Glenn Dowlen said hospital board members told him they needed to collect taxes this year in order to pay for indigent care in the new district and pay architect's fees incurred thus far.

Mrs. Bruse said the data processing firm printing the county statements quoted her a price of 5 cents per statement to add the hospital district taxes to the present rolls, and 15 cents per statement to print a separate tax roll for the hospital district.

She explained to commissioners she did not know how many property owners are listed in precinct 3, so was unable to determine how many statements would be involved.

District Attorney George Dowlen told the court they could collect only 1 per cent for assessing and 1 per cent for collecting the hospital taxes at an amount not to exceed $5,000.

Commissioner Bill Butler voiced concern that it would cost the county more than $5,000 to prepare the statements and collect the taxes, but Commissioner Dowlen said he thought the process would be profitable to the county after the first year.

"I believe it will be profitable once we get the rolls set up this year," Dowlen declared.

This is the first year the tax assessor-collector has had to show vehicles as part of personal property on coun-

With Negligent Homicide

Amarillo Man Charged

Second degree negligent homicide charges have been filed in Randall County against Gary Curtis Sharp, 20, of Amarillo as a result of a car-pickup accident that killed an Amarillo youth early Saturday morning.

Matthew Marion Bruce, 18, son of Randall County Democratic Chairman Marion Bruce, died in the crash.

Bruce was a passenger in the car driven by Jimmy Wynne, 18, of Amarillo. Sharp was the driver of the pickup. The accident occurred at 44th and Travis in Amarillo as Sharp traveled north on Travis and Wynne was attempting a left hand turn off Travis onto 44th St.

Amarillo Police Officer Eddie Langwell said Sharp was first spotted by police in the 700 block of West 13th driving 50 miles per hour in a 30 mph zone and was pursued at speeds exceeding 100 miles per hour.

He eluded three different police units and ran a road block before smashing into the Wynne vehicle.

Officers said the chase began at midnight and the accident occurred at 12:12 a.m. Saturday.

Reports of the chase and accident show that Sharp ran three stop signs and a red light while officers were pursuing him.

"He got away from the first unit at I-40 and the Canyon Expressway when he made that curve and our officer felt he could not make it safely at that rate of speed," Officer Langwell said.

Another unit picked him up at 42nd and Parker and he ran through a road block at 46th and Travis.

Negligent homicide is punishable with three years in prison or $3,000 fine.

Girls Team To State, Play Tonight

Canyon Eagles VFW girls softball team has received confirmation from Mrs. Lou Hamilton, Texas State Women's Softball commissioner, that the team will be able to compete in the state tournament in Garland beginning today.

The confirmation came Tuesday after the team had been informed that their entry had been too late for them to compete in the tournament.

Dr. George Umberson phoned Mrs. Hamilton Tuesday. She said she had sent the entry to the regional director in Lubbock because a signature had been missing. "Mrs. Hamilton said he misunderstood and sent it back to her saying it was rejected," Umberson stated.

Mrs. Hamilton, when told that the girls had planned to go and collected the money, then arranged with officials in Garland for the team to compete in the tournament. The team's first game will be at 8 p.m. tonight against Blessed Sacrament School from Houston.

"They are going and we are very pleased," Umberson said.

Hospital Meeting Is Today

Hospital board will hold the first official meeting at 5 p.m. today in the Farm Bureau Building to elect officers and set an agenda for a meeting next week.

Mrs. T.G. Hull Jr., president of the temporary board, said the seven board members will elect officers to serve until the election in April, 1972. Members elected to the hospital board in April will draw for one and two year terms.

Next week's agenda will include setting a bank depository, establishing a tentative budget, discussing a temporary office, and setting a budget hearing.

Application for Hill-Burton funds was presented last week and are "in the mill," according to Mrs. Hull.

Board members in addition to Mrs. Hull are Mrs. Nolon Henson, W.W. Sternenberg, Vernon Harman, Raymond Batenhorst, O.H. Rahlfs and Floyd Tomlinson.

WT Booster Club Meets

Canyon's Booster Club for the West Texas State University Buffaloes will have an organizational meeting at 7 p.m. Monday in room 216 of the Student Activities Center.

Athletic director and head football coach Gene Mayfield will highlight the meeting by discussing plans for 1971 and showing movies from last year's games. Assistant coach Jim Campbell will also be on hand to answer questions.

The meeting is being held to gain members for the club and to sell season tickets to the Buff games.

All interested persons are invited to attend.

Registration

Registration date for students new this year to Rex Reeves and Gene Howe Elementary Schools was mistakenly reported as Aug. 20 in Sunday's paper.

The date for registration for these elementary school students will be Aug. 19. Dates reported for other new students were correct.

Dress Code Eyed For Canyon Schools

A Canyon school dress code is being drawn up for approval by the trustees following Tuesday night's board meeting.

High school principal John Sommer and junior high principal Dave Corley were instructed to draw up dress code regulations by the next meeting Aug. 17.

Trustees told the two men and their assistant principals to give special attention to length of hair, coveralls worn by girls and a no bra policy.

About six students came to the school Tuesday to attend the meeting but were told they would not be admitted unless accompanied by each student's parents.

Sommer explained they would like to have a definite policy from the school board in order to give "teeth" to the dress code.

Superintendent Jerry Jacobs urged the board to adopt a policy and stand behind it.

"If we believe this code then we need to stand behind it and let them take us to court," Jacobs said.

Board president Dudley Moore said kids respect the administration if rules are provided and they know they must obey.

"We can't let the gates down or they will ruin what we have built for them," Moore told members.

He also noted that students have a responsibility to maintain and care for what has been provided for them in the way of facilities and teachers for their education.

"If we don't have some kind of rules they won't realize their obligations," Moore stressed.

Trustees directed the men to add an inclusive clause at the beginning of the proposed code about disruption of classes with a statement specifying action should be handled at the discretion of the school principals.

Band directors J.W. King and Gary Laramore, who were at the meeting to give a band report, were quizzed about how they required their band members to dress.

"I am from the old school," Laramore said, "And I believe our band students should look neat all the time."

"We are all for a pretty tight interpretation of the dress code," King confirmed.

"Let's be consistent," Moore emphasized.

In other business Tuesday, trustees heard a report from the band directors concerning plans for the

I have learned to have compassion for gossips because of their frantic and futile effort to reduce all other persons to the low level of their unconscious evaluation of themselves.

In Theft Charges

Dallas Attorney Held

A Dallas attorney has been charged in Randall County with theft by false pretext and is being held in lieu of $150,000 bond in Dallas County Jail.

Leon C. Horton of Dallas will be picked up in Dallas this week by Randall County Sheriff L.S. "Slim" Johnston if Horton does not make bond.

Horton was arrested at 4:45 a.m. Saturday at his home, 3106 St. John, Highland Park, and was charged on six counts, according to officers. Bond was set at $25,000 per count.

Dallas Metro Squad officers said Horton is being charged in connection with some allegedly forged power of attorney papers.

Horton is accused of forging the power of attorney signature of Robert L. Roberts, who had the power of attorney for Miss Jesse I. Forsythe, authorities said.

Miss Forsythe is the aunt of Roberts, and both have been missing since August, 1970.

John Stevens, president of the Western National Bank in north Randall County, allegedly guaranteed the signature of Horton as power of attorney over the Forsythe property on several securities, according to Randall County Criminal District Attorney George Dowlen.

Metro officers said Horton had attempted to get the securities guaranteed at several banks in Dallas before going to Amarillo.

The amount involved is estimated in excess of $16,000, and the money has been transferred by Horton to a company in which Horton owns majority stock, according to Dowlen.

P-P Board Approves $133,600 Budget

Panhandle-Plains Historical Society executive committee Tuesday night approved a budget giving blanket raises to museum employes and using up the $133,600 appropriated by the legislature.

Recent legislation has removed most of the committee's actual authority leaving it in an advisory capacity to the board of regents of West Texas State University.

Regents are charged in the statute with making final decisions on the committee's recommendations.

The committee passed a resolution accepting several wall paintings by Japanese artist Tenekei Tachibana with Panhandle-Plains Museum to be repository for them.

The resolution was requested by Dr. James P. Cornette, president of West Texas State University, who entertained the Japanese artist prince here on two occasions.

Dr. Cornette pointed out that the artist is a son of a former Japanese emperor and that the paintings are very valuable. He said the paintings are being offered to the museum through he and Mrs. Cornette on condition that they be cared for by the museum, displayed occasionally and made available for display elsewhere.

Dr. Cornette said the paintings would be delivered at no cost to the historical society.

The budget approved by the committee provides raises for all employes of the museum and for a capital outlay of $17,300. Museum Director C. Boone McClure mentioned that a new station wagon should be purchased from this fund since the present vehicle has more than 40,000 miles on it.

Arrangements were made to pay the fee of Col. H.L. Givens to an employment agency which arranged his employment as assistant director of the museum. The

2,000 Honor Mitch Jones

Mitchell (Mitch) Jones surprised organizers of a reception honoring him with gifts of engraved silver Revere bowls Sunday.

About 2,000 friends and former students gathered in the Activities Center at West Texas State University for festivities marking Jones's retirement from the school's faculty.

The reception was planned by 36 friends.

Mr. and Mrs. Jones were joined in the receiving line by their sons, Dr. Marshall Jones of Tucson, Ariz., and Dr. Mitchell Jones of Amarillo.

Decorations were built around memorabilia of Jones's long association with the university, including his years as a football great and his long service as football coach, athletic director, dean of men and teacher.

Dean Mitchell "Mitch" Jones and his wife recalled those "bygone days" at a reception honoring the retiring professor and past dean of boys at West Texas State University. The couple is holding a football sweater awarded to Jones in 1917 when he was known as "Bulldog" Jones on the football field. Some2,000 persons attended the reception Sunday.

FROM THE CANYON RIM

by Troy Martin

Most of this state's politics are conducted behind closed doors.

Somehow it is easier to crack the wall of secrecy in dealing with national parties than it is on a state and local level.

A former Randall County Democratic chairman once remarked that if you could turn the light of newspaper and television coverage on the state Democratic convention that is turned on the party's national convention, you could clean up Texas politics in a year or so.

I'm inclined to believe this is true, especially if several different media were represented to serve as a check on each other.

As it stands now all too often the owners of large newspapers and television stations across the state are themselves personally involved in politics Participating themselves in the machinations which take place in smoke filled rooms they may be reluctant to turn on the heat.

It is natural for men, especially powerful men, to resort to secrecy when they get a chance. They often do this in good faith thinking that the public will be served through their efforts behind closed doors.

Only an occasional break in the smoke reveals the dim outline of what is going on in the state's political back rooms.

Last week I gave Dan Zevely credit for being the first 18-year-old to cast a vote in Randall County.

The ink hadn't dried before I was taken to task by Stephen Daugherty who pointed out that he voted absentee.

Tuesday I found a note on my desk from a caller who said 18-year-olds voted in May. To Steve I'm going to concede. But as for May, a state election on constitutional amendments was held then and people under 21 still were not eligible to vote in anything but national elections up to that time.

President Nixon made a concession when he even considered going to China in the first place. We can expect more concessions on our part and very little from China.

For us to carry on any meaningful talks with Red China it seems to me that we're going to have to get out of Vietnam and possibly Southeast Asia entirely.

The future of Formosa is the big question right now.

Edgar Snow, writing in Life Magazine, says Red China may be able to come to some terms with Chiang Kai Shek that would let the aging generalissimo remain as a sort of governor for life.

When this happens I'm going to be ready to believe that somehow God and the Devil will be able to settle their differences, aircondition hell and permit Satan limited sovereignty in the nether world with visiting privileges in Heaven for eternity.

In short, I don't think that's going to happen.

As I see it, our choices are limited. We have engaged ourselves in two idealistic wars in the past generation and are right now in the process of extracting ourselves from the second one.

We've learned a bitter lesson we could have learned simply by reading the biography of Otto Von Bismark.

The architect of the German Empire contended that the only three reasonable questions leaders should ask when embarking their country into war are:

1. Can we win?
2. Is it in national interest?
3. Is it worth the price?

It seems to me that Nixon's visit may herald a new era of Japanese leadership in Southeast Asia. Masters of the miniature, the Japanese if inclined could become a full partner in the nuclear club in a matter of a few years.

For the past 25 years Japanese industry has flourished under the protection of American power. Nixon overtures to China — Japan's natural rival — makes it obvious that at least some of that protection is about to be withdrawn.

The trip will no doubt accelerate the quiet rearming of the land of the Rising Sun.

One jet airplane trip by an American president could hand Japan — maybe even an unwilling Japan — on a silver platter what she failed to win in four bloody years of war — dominance in the Pacific.

* * *

On the plus side of the ledger, we have also learned that we cannot police the whole world. Neither can we force men to love freedom.

Asiatics must secure Asia just as eventually Germans, French and British must secure Western Europe. We can help but we simply cannot bear the whole burden.

Letters To The Editor

Dear Mr. Martin,

I want to thank you for the excellent coverage your paper has given the upcoming reading conference. As I go about the state I realmore than ever how fortunate we in Canyon are to have a newspaper that follows school news so closely. Others are aware of this, but maybe we don't always take time to tell you. This was discussed just yesterday when Mr. Hinger and I were talking about the summer school program.

No other weekly that I know has the format that does THE CANYON NEWS, and the pictures used are far superior. I appreciate the fact that it does not re-hash the new news that has already been printed in the regional papers, but lends itself to covering news as it directly affects the local people. I've told you this before, but perhaps in this case repetition is permissible.

Because sometime getting breakfast presents somewhat of a problem for us, Mrs. Posey and I are going to scramble some eggs and brew up a little coffee for a few of our conference participants. If you are out between 7:00 and 8:00 Tuesday morning, we would like for you to drop by to meet these people. While you're chatting, you can have breakfast. That's

C.H.S. Band Tie Project

Dear Mrs. Buster,

I am enclosing my check for five dollars, for which a tie may be sent me.

It is a fitting tribute for our Canyon Band to have this honor.

My sister and I have long had happy memories of our Viennese visits; true, they were but full of recollections of interesting people, beautiful costumes, delicious food, talented arts, and historic scenes.

Our boys and girls merit this experience. I trust our adults will help them achieve their goal.

Sincerely yours.

Canyon Man's Mother Dies

The mother of Bob Clark of Canyon died Sunday in Greensboro, N.C., and funeral services were conducted at the First United Methodist Church of Canyon at 10 a.m. Wednesday.

Burial for Mrs. Alva Clark, 88, followed in Dreamland Cemetery under the direction of LaGrone Funeral Chapel. Rev. J. Frank Peery of the church officiated, assisted by Rev. Hubert Thomson.

Mrs. Clark was born Nov. 22, 1882. Her husband, Guy Howell Clark died in 1949. She was a member of the Canyon First United Methodist Church. She had been a resident of Canyon before moving to Greensboro 12 years ago to live with her granddaughter Mrs. Bert Masters.

Pallbearers were Johnny McBroom, Hugh Greiner, Charles Donnell, Felix Pierce, Art Roberts and Munday Harmon.

Survivors include her son, Bob Clark of 2407 10th Ave., and her granddaughter, Mrs. Masters of Greensboro, N.C.

Kuhlman Boy Improving In Hospital

Marty Kuhlman, 10-year-old son of Mr. and Mrs. Alvin Kuhlman, east of Canyon, is in serious condition in Northwest Texas Hospital after sustaining head injuries in a bike-car accident near his home last Thursday.

Young Kuhlman was struck by a car driven by Ginger Currie, 17, of Tanglewood.

Highway patrolman Rusty Davis said the Kuhlman boy was riding his bicycle down the center strip of state highway 216 when Miss Currie, travelling east on 216, honked her horn at him.

The boy veered to the right shoulder, then attempted to cross the highway to join a bike riding mate Kirk Ratjen.

The bike was struck on the left front side by the right front of the car, near the middle of the highway, according to Davis.

"The boy was thrown onto the hood of the car and rode for a few yards then fell off," the officer reported.

The accident occurred at 11:55 a.m. Thursday. He was taken by LaGrone ambulance to Neblett Hospital and then transferred to Northwest Texas Hospital.

H.D. Freeman Resigns Post At Calvary

H.D. Freeman resigned as pastor of Calvary Baptist Church at church services Sunday morning.

"I felt that it was God's will that I resign at this time," Freeman said. The resignation was accepted by the congregation at a called business meeting at the close of Sunday morning services.

"It came as a surprise to most of us," said Eric Burnett, chairman of deacons. A nominating pulpit committee will be selected Sunday to begin looking for another pastor.

"He's the most personally consecrated man I've ever met," Burnett said.

Preaching at Sunday's services will be the Rev. R.L. Shannon of Amarillo, a retired preacher.

Group Meets

Chi Upsilon chapter of Beta Sigma Phi met for an executive board meeting Wednesday night in the home of chapter president, Mrs. Meade Michael.

Mrs. Lewel Johnston was appointed by the executive board to fill the office of recording secretary. Mrs. George Stevens was appointed Civil Defense officer.

Plans for the rush party to be held at the Girl Scout House were also discussed. Present at the meeting were Mrs. Barbara Moats, Speck Benham, Melvin Tucek, Carl Sims and Michael.

Our World

BY ANN BROWN

Many Americans are deeply concerned because the great majority is apparently oblivious to the destruction radical revolutionaries, greedy politicians, and dictatorial judges are causing in America. Several biologists are convinced the villain responsible for this apathy is poor nutrition.

History records several great civilizations overthrown by barbarians. But was it ease and affluence that caused the nations to fall, or was it apathy?

In growing great, a nation necessarily exploits its natural resources, the most important one being the soil. As the soil is depleted, say the biologists, produce loses its nutrition, and the people grow apathetic. Then, virile people from virgin lands destroy the civilizations, and the lands recuperate.

Whether or not the biologists are correct, one must admit Americans are chronically tired. It is a common complaint in the doctor's office. Fatigue precipitates many industrial accidents, highway deaths, and family fights.

When one is so tired all the time that survival becomes his only goal, he is not likely to exercise proper caution and diplomacy, or be overly concerned about the state of the nation.

Most great civilizations have fallen from within, and the deterioration was so gradual they reached the point of no return before the populace became convinced of the danger.

History is repeating itself in America. Fifty years ago a man's word was his bond. Any man who could not be trusted was not received in polite society.

Now no one is expected to be honest. Who believes television commercials? If one does prove to be true, viewers are shocked.

Parents don't trust their children, and children don't believe parents know what they are talking about.

Many teachers expect students to cheat. And when a teacher tells a class to study specific material for a test, wise students usually concentrate their efforts on material the teacher did *not* mention.

Lawyer has become a synonym for liar, yet lawyers are under oath to uphold the law. Witnesses perjure themselves in court without even a reprimand from the judge.

Judges reverse other judges' decisions so consistently that trials have become merely expensive mockeries.

The Supreme Court excused their unpopular busing mandate on the grounds they were upholding the Constitution. Yet the judges knew every literate person was well aware the mandate violated the very document it purported to uphold.

The President of the United States appears on national television and tells us crime and inflation are under control, and the economy is improving. If he gets any reaction at all, it's a laugh.

Many preachers insist Jesus was a great good man, but not divine, of course. Yet Jesus claimed to be one with God (John 10:30). Could He be a deceiver and a fraud, and a good man, too?

If truth liberates (John 8:32), does it not follow that deception enslaves?

A nation built on integrity has changed so gradually it has become reconciled to a society of deception.

We are a nation of experts. If our soil is so depleted as to starve the nation into apathy, we should take remedial measures. But apathy being the peculiar plague it is, how is one to know if he is afflicted?

Anyone who has no pride in America's glorious past, no satisfaction in the present, and no hope for the future, needs help. If poor nutrition is the problem, here is an issue worthy of the ecologists' best efforts.

Umbarger News

BY SUSAN DOLLE

The month of July was a good one; according to L.L. Raef, Umbarger Grocery owner and operator, 3.51 inches of rain were recorded. This area looks much better. Looks like the weeds are going to have a chance after all. There's a feeling of autumn in the air and the children are playing twice as hard to ward off the beginning of school.

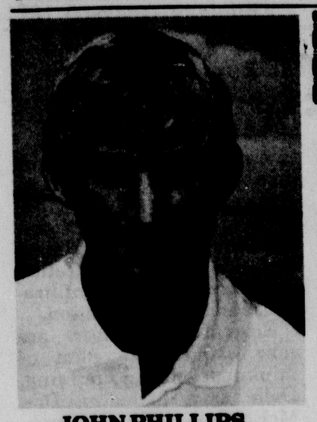
Droves of vacationers are still winding their way to Colorado. The Vincent Ramaeker family spent a week in and around Colorado Springs, visiting Mrs. Ramaeker's sister and family, the Leroy Hoeltings, and touring the mint, the North Pole, Estes Park and other places of interest. Mr. and Mrs. Bert Wilhelm, Andy, Wade and Tim traveled to the Grand Canyon where Burt and Andy walked down to the floor of the Canyon and back, a distance of 15 miles. Guess they had a few tales for the donkeys who pack other people down. Patricia Grabber accompanied her great aunt Theresa Bellinghausen to Durango, where they visited Amelia and Lance Furlow in the middle of July. And the Bernard Hartmans are having a good stay at the Blue Spruce Ranch, owned by Mr. and Mrs. Craig Hinger near Pagosa Springs.

Visiting in the home of Mrs. Gertrude Fischbacher are her nieces from Switzerland. Helen Ricklin, Sophie Schwager, Margaret Schneider and Ruth Hasler arrived a week ago and have scattered to Taos and Carlsbad in order to see more of the U.S. They will leave there on the 17th to visit other relatives in Ohio.

Pistols and Petticoats Square Dancing Club entertained several squares from the Circle 8 Club of Clovis last Sunday night and danced to the calling of several members from that club. The next dance on August 15 will feature a tacky party and pie supper according to Mrs. Jim Skarker, social chairman, and Mrs. Bill Thompson, vice-president. A prize will be awarded for the best costume.

David Gonzales, 19-year-old-son of Mr. and Mrs. Romuldo Gonzales has been stationed in Ft. Ord, Calif., since July 15. He has begun basic training in the Army. Tom Haschke is continuing his service at Ft. Hood which is a lot closer to home than Vietnam.

If you've been married long enough, you will appreciate this story which I heard a man relate at his golden anniversary. He said there was a young couple beginning to see a lot of each other who wandered down to the stream to get water. He took her elbow to help her over the stones and dipped the bucket into the stream. He carried the pail back up the hill and spoke gently to her. Shortly thereafter, they were married. A few months later, they were walking to the stream again, this time she was behind him a few paces, carrying the bucket. She dipped it into the stream and carried it back up. When some of the water spilled out, the husband's only words were, "Clumsy."



JOHN PHILLIPS

Tennis Lessons Set Next Week

Tennis champion John Phillips plans to conduct a series of tennis lessons on the West Texas State University courts Aug. 9-14.

The lessons will be planned chiefly for adults, but will be open to youngsters as well, at a fee of $5 a person.

Phillips is a 1971 singles and doubles champion for the Missouri Valley Conference, a former state singles champion, and holds the WT title for 1969, 1970 and 1971, according to Mrs. Douglas Bingham, 2101 2nd Ave.

He played on the Texas Junior Davis Cup team in 1969 and 1970 and in the National Junior Tennis Circuit during 1970.

Anyone who wishes to arrange for lessons may call Mrs. Bingham at 655-4379. Equipment will be provided, and the one-hour lessons will be geared for beginners, intermediates and experienced players.

Educators Discuss Reading

Educators interested in better reading programs gathered in the WTSU Activities Center Tuesday and Wednesday for the 19th conference of the Texas Association for the Improvement of reading.

The teachers were to discuss comprehension, releasing children to literature, the role of special reading, story-telling and reading in a non-graded school, among other topics.

Mrs. Beth Posey headed the planning committee for the meeting. Assisting her were Dr. Ruth Lowes, Dr. Hellon Wilbur and William H. Henry.

Two In Hospital After Accidents

Two persons remain hospitalized in Neblett Hospital following three separate traffic accidents in and near Canyon this week.

David Frank Wiginton, 16, son of Mr. and Mrs. Frank W. Wiginton, was injured Monday afternoon when the motorcycle he was riding struck a car driven by Debra Reed of Dimmitt, a West Texas State University student.

The Wiginton youth is listed in good condition at Neblett Hospital with a broken leg.

According to Canyon police, Wiginton was travelling north on 23rd Street and Miss Reed was making a left hand turn off 23rd Street when the accident occurred. The Reed vehicle had been headed south on 23rd.

Mrs. Leah Stabel is in good condition in Neblett Hospital after the car she was driving left U.S. Highway 60 one-half mile west of Canyon Monday afternoon.

She suffered back injuries as a result of the one-car accident.

Highway Patrolman Rusty Davis said the Stabel car left the road as it travelled west.

Early Monday morning a car driven by Ronny Clark Farr of New Hope struck a light pole at 13th Ave. and 23rd Street knocking the pole down and cutting off street lights from 13th Ave. south to the city limits until Tuesday.

City police said Farr was driving north on 23rd when he apparently went to sleep at the wheel. He was treated and released from Neblett Hospital. The accident occurred at 2:30 a.m.

Candy Cane Lane Okayed For Canyon

Canyon's Candy Cane Lane received the official stamp of approval Monday night when Chamber of Commerce board members agreed on a $5432 budget for Christmas decorations for the city.

Board members voted to purchase 92, eight-foot candy canes, eight choir boys and two Merry Christman signs.

The canes will be attached to light poles along 23rd Street and Fourth Avenue. The choir boys will hang on poles around the courthouse, and the Merry Christmas signs will be strung across 23rd Street at each entrance to the city.

A drive to raise for decorations money will begin immediately, chamber president Eddie Knowles said.

WHAT IS HISTOPLASMOSIS?

It is a fungus infection of the lungs contracted by breathing contaminated dust. It is more likely to be found in rural areas than in urban, since this fungus affects animals also. It tends to be a comparatively mild, but chronic, sickness. Most cases offer no serious problem.

Its danger is that it can be confused with tuberculosis and some people having it are afraid to go to a physician fearing a tuberculosis diagnosis. Never have any fear when visiting a physician. The least he can do is to help you live longer and more comfortably.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound and dispense yours?

Canyon Women Selected For Annual Compilation

Ten Canyon women have been named to appear in the annual biographical compilation, "Outstanding Young Women of America" for 1971.

Selected for the honor were Mmes. Patricia Salmon McCarter, Peggy Crownover Smith, Janice Hilton Schmutzer, Marilyn Pafford Ray and Mary Metcalf Rice, and Mmes. Glen Metcalf, Lewis Wygant, Tim Goodwin and Wilton Manley, all of Xi Kappa Zeta chapter of Beta Sigma Phi. Mrs. Anita Capp, program director, made the announcement.

Also included were Mrs. Lind Schrib of Plainview and Mrs. Margaret Shafer Collins of San Jon, N.M.

In its seventh year, the Oustanding Young Women of America program recognizes the abilities of women between the ages of 21 and 35. These women have been honored for their outstanding achievements in their communities, professions and country.

The candidates are now being considered for their states' Outstanding Young Women of the Year Award. Each year, 50 young women are selected — one from each state — as their state's Outstanding Young Women of the Year.

Nominations for this national awards program are made by women's organizations, churches, alumnae associations and universities. A complete biographical sketch of each nominee will be included in the annual awards volume, "Outstanding Young Women of America" which is distributed nationally as a reference publication. The 1971 edition will be published in November.

Seven members of the Canyon Eagles VFW girls' softball team made the All-Star team of the Amarillo League. They are, left to right, Rhonda Umberson, Virginia Branstetter, Pennie Peckenpaugh, Carla Swatzell, Connie Davis, Georgia Branstetter and Zady Caldwell. The team was undefeated in league play and won the Amarillo city tournament as well as the Canyon invitational tournament. They are competing in the state tournament today through Saturday in Garland. The team is coached by John Braboy.

W.D. Owen Dies, Rites Conducted

Funeral services for the relative of a Canyon man and woman were conducted at 10:30 a.m. Tuesday in Blackburn Shaw Memorial Chapel in Amarillo.

Dr. James Carroll, pastor of the First Presbyterian Church of Amarillo, officiated at the services for W.D. Owen, who died Sunday in M.D. Anderson Hospital in Houston following a lengthy illness.

Burial followed in Llano Cemetery.

Mr. Owen, father of Mrs. Carol Jokerst of Canyon, and brother of H.B. Owen of Canyon, was a farmer and rancher in the Panhandle, New Mexico and Colorado. He had served as president of the Panhandle Savings and Loan Association for several years and was partly responsible for the firm's organization some 10 years ago.

The business and civic leader was a member of the first graduating class of White Deer High School and attended West Texas State University.

He has lived in Amarillo since 1936 and worked as auditor for the Fred Harvey Hotel at the Grand Canyon in Arizona. He later owned and operated the El Rancho Hotel in Gallup, N.M.

A native of Franklin County, Mr. Owen was a member of the First Presbyterian Church and was married to Marian Hall Feb. 10, 1936 in Borger.

Survivors include his wife of the home, 15 miles south of Amarillo; the one daughter, Mrs. Jokerst; three brothers, Earl and Ted, both of Ventura, Calif., and H.B. of Canyon; and two sisters, Mrs. Jewel Brown of Amarillo and Mrs. Marillyn Beard of Sacramento, Calif.

Permits Increase Over Last Year

Building permits have increased $97,800 over last year's permits recorded for July, according to building inspector E. A. Collie.

The figure includes three storage buildings, $6,575; five residences, $107,300; one commercial building, $6,000; and one swimming pool, $3,000.

Records for July, 1969, show that building permits totaled $1,265,245, "probably due to building on the university campus," Collie speculated.

"The Will to Bear Discomfort," is the title of the chapter to be read at the meeting of Recovery, Inc., at 7:30 p.m. Monday in the Polk Street United Methodist.

Conservationist Favors No-Tillage Farming

Don Dolle, soil conservationist, reports that no-tillage or minimum tillage methods of farming has several advantages over tillage farming.

Refinements in chemical herbicides during the past decade, coupled with the development of no-tillage planting equipment, has removed the major barriers that have tied tillage to the farming scene for centuries, he said.

No-tillage farming allows for more acres to be planted during an optimum time interval, thus saving time, he said. That type farming also reduces labor and machinery, thus production costs, and controls water erosions. With more land being planted to continuous row crops, erosion control become increasingly important, he added. Thus over-tillage pulverizes surface soil structure, making it prone to erosion.

No-tillage planting also reduces wind erosion and conserves soil moisture. Tillage stirs up moisture and causes evaporation which reduces the amount of water available to the current or next crop. With irrigation when this moisture is lost it must be replaced by costly irrigation. Dolle listed other advantages as improvement of soil structure and new rotations systems. "Research has shown that minimum tillage can improve soil tilth, reduce compaction, lower the bulk density and the resistance to root penetration and increase water infiltration and improve aeration.

Several area farmers are now using some form of minimum tillage farming, Dolle said, including Don McRoberts, Willie Wieck, Joe Wieck and Alfred Buecker.

For further information and research results, interested persons may consult with the technicians of the Soil Conservation Service located in the old First National Bank Building in Canyon.

S.P.R.Y. Club Plans Meeting

The S.P.R.Y. Club (Sixty Plus Rewarding Years) will meet at 2 p.m. next Thursday in Fellowship Hall of the First United Methodist Church.

Mrs. Louis Hinders will give the opening worship. Hostesses will be Mrs. S. H. Condron and Mrs. Nora Gilmore.

The group is open to persons of all denominations. Interested persons may phone the church office, 655-3540. Transportation can be provided.

Chamber Views United Way

A general meeting of Canyon Chamber of Commerce directors is being planned this week to discuss incorporating Canyon into the United Way of Amarillo.

"Before we can make a decision about whether Canyon should join the United Way, we need for all the board members to discuss it," Chamber president Eddie Knowles explained.

A definite time for the meeting had not been determined at press time Wednesday.

Chamber board members discussed movement into the United Way Monday night at the regular meeting, but several members were not present.

Joe Gidden, United Way of Amarillo board member from Canyon, and Jerry LaGrone, president of the American Red Cross chapter in Canyon, appeared at the meeting Monday to recommend Canyon join the United Way.

"Canyon people are now using many of the facilities sponsored by the United Way," Gidden told the board. "We should join with them and support those organizations that our people can and do use."

He urged that the board give it careful consideration.

"We need to ease the load on our volunteers in Canyon who help with the many drives that are held yearly," LaGrone said.

Gidden pointed out the United Way would be worked through the businesses rather than a door-to-door campaign, and would be called The United Way of Amarillo and Canyon.

He also explained the United Way would not include all drives which are held in Canyon, but the Boy Scouts, Girl Scouts, Kids, Inc., and American Red Cross drives would be part of the United Way.

"We need to educate ourselves before we educate the merchants about the United Way," aid Knowles.

"We would still be having as many drives as we have had in the past," a board member said.

"Well, we would be eliminating four drives — Kids, Inc., Boy Scouts, Girl Scouts and the Red Cross," LaGrone noted.

"Who is going to make the final decision and who is going to direct the thing?" Bill Sternenberg quizzed.

"I believe it will be up to the chamber to administer the drive," said David West, board member.

A film and discussion with United Way personnel will be part of the program at the special board meeting.

Academy Works Here For August Showing

Ninety paintings by 54 different artists from the Coppini Academy of Fine Arts in San Antonio have been placed for showing this month in the Panhandle-Plains Historical Museum gallery.

Mrs. Olive Bugbee, curator of art for the museum, returned from San Antonio recently with the paintings for the August showing which began Sunday.

The museum receives paintings each month from the Coppini Academy for show and sale in the museum.

The new paintings include oils, pastels, water colors, pen and ink and one acrylic, Mrs. Bugbee said.

There are probably 75-80 active painters in the organization but not all are represented in the group of paintings in this showing.

The Academy of Fine Arts, started by the late Pompeil Coppini, is an organization for the encouragement of representational painting, Mrs. Bugbee said. Only representational painters are allowed membership in the organization.

Coppini was an internationally known sculptor who had studios in New York, San Antonio and Chicago, Mrs. Bugbee said. Many works of Waldine Tauch, who apprenticed under Coppini, are on display in the Panhandle-Plains museum.

Paintings by "a lot of the favorites of people here" are among those brought for the August showing. The paintings will come down in time for a new showing the first Sunday in September, the curator added.

Assault Suspect Charged, Held In Harlingen

A man known under three names has been charged in Randall County with assault with the intent to commit armed robbery in connection with a June 11 shooting in south Amarillo.

Asst. Dist. Atty. Dick Dambold said the suspect's correct name will not be known until fingerprints are checked by the FBI.

"He has used all three names," Dambold said of the man who is presently being held in the Harlingen County Jail on similar charges.

The suspect is charged under the three names of David Leon Chapman, Ronnie Christmas and Prentice Noel Ellerd.

The shooting occurred in the home of Robert Lee Jones of 3500 Lipscomb in Amarillo when three armed men burst into the home around 10 p.m. holding Jones, his wife and two sons at gunpoint, officers said.

One of the Jones men threw a chair at the intruders to begin a fracas which ended with Jones being wounded in the foot and his older son Sam being shot across the stomach. The would-be robbers fled from the house after the shooting, authorities said.

Charges were filed Tuesday after Mrs. Jones identified a picture through the Amarillo Police Department.

Petitions Piling Up

County Clerk LeRoy Hutton says his office is "snowed under" with petitions from north Randall County.

Hutton said he has checked and certified about 1882 names and has another 1096 names to go over.

A total of 3715 registered voters names are needed to call an election. He said Commissioners Court will set the date for the election, and explained that the election must come not less than 20 days and not more than 30 days after the petitions are accepted by the court. The petitions must be presented Aug.9 to the court or they can not be presented until Sept. 13.

He said he felt the election would be held after Labor Day.

"I believe they are going to have enough names on the petitions," Hutton said. "They have petitions that have not been turned in, and I think they will have more than enough qualified names."

Band Meetings Set

Each Canyon High School band member should report to the band headquarters from 9-noon Saturday for a work day, said band director J. W. King.

All students are asked to be in the building at 10 a.m. for a short meeting with him concerning the Vienna trip, he stated. "Arrangements may be made to be excused from other parts of the morning, but it is very important to have everyone present at the 10 o'clock meeting," King said.

King also asked that all sophomores and other interested students who wish to attend beginning rehearsal be at the high school band hall from 9-11 a.m. each morning Monday through Friday of next week.

The full band should report to the high school band hall Tuesday and Thursday from 7-9 p.m., King said.

Mrs. Bellah's Father Dies

Funeral services for Anton Zimmer, father of Mrs. J.C. Bellah, 1215 5th Avenue, were held Tuesday afternoon at Blackburn-Shaw Memorial Chapel, Amarillo.

Mr. Zimmer, 82, of 4050 Rose Drive, Amarillo, died at his home Sunday morning. Born in Trownow, Bavaria, he had moved to this country in 1906. From 1916 to 1943 he farmed in the Stratford area. He had resided in Amarillo for 28 years.

Interment was in Llano Cemetery.

Surviving are two sons, Albert of Stratford and John of Amarillo; two daughters, Mrs. Bellah, and Mrs. Willienell Haynes of Amarillo; a sister, Mrs. Alfred Heinsohn of New York City; and nine grandchildren.

The family has requested that memorials be contributions to the Panhandle Chapter of the Multiple Sclerosis Society.

City Sprays Mosquito Breeding Spots

Crews employed by the city of Canyon are spraying creek bottoms and sewer plants for mosquitos everyday and spray the rest of the town weekly, usually on Monday and Tuesday, according to City Clerk Glen Metcalf.

Anyone having particular problems can request extra spraying by calling City Hall, Metcalf said.

"We've had very few calls, actually. For one reason, it's been so dry this year, and when it started to rain, we really enforced the spraying and tried to stay up with it."

Pools of stagnant water and piles of trash were ideal breeding ground for the insects, Metcalf said. People can help keep their numbers down by making sure no unnecessary collection of water stands around their houses or in the allleys behind them and that trash does not accumulate.

BY PAULINE HEFLEY

Well, our fearless leader is back — Mr. Luther B. Lawless has been down in the south part of Texas, to DeBerry (that's close to Marshall) to visit with his parents. Understand he took Craig with him and then later on in the trip, Mark, his other son, came up from attending an AAU Track Meet in Houston. While down state Mr. Lawless got in some good golfing with Bill and Betty Knighton, formerly of Canyon.

Also Mr. Lawless and Craig went down by Houston and saw the Houston Astros play Montreal and Philadelphia.

Herbert, Von Dean, Sherri and Danny McGregor took a recent trip down around San Antonio and parts of south Texas.

On the way back, the McGregors came by Mrs. McGregor's sister and her family who live in Anadarko, Oklahoma, the E. S. McDonalds — then on home.

Another one of our faculty members, Mrs. Joe "Marion" Shoemaker and her family (Cindy and Melissa) have really covered the country. First they flew to Frankfurt, Germany and were met there by Mrs. Shoemaker's daughter, the former Carol Case and her husband, Mjr. Troyce Cline. Then they proceeded to tour seven countries by car, taking in the awesome sights of the new Netherlands, Belgium, France, Germany, Switzerland, Liechtenstein, and Austria. You can't ever leave town or the state, without running into somebody from Texas. To prove that point Mrs. Shoemaker ran into two former schoolmates from Alpine, Texas in Volendam, on the Zuider Zee in the Netherlands.

Happy Anniversary to Mr. and Mrs. Philip Ehly.

Jodi Hefley is attending the West Texas State University Tennis Camp this week under the supervision of that "swift" Coach David Kent and assistant Coach Roland Ingram. A happy birthday to Jodi who celebrates her 16th this week.

Congratulations to Vickie Lofton who will be modeling for Alexander's at Furr's Cafeteria in Western Plaza this Thursday evening. If you happen by there you will not only have some good food but see a lovely lady do her thing.

Sounds like the Dan Miniers are giving the Howard Motel business a run for their money. They have had as recent house guests L. W. Terry from Arkadelphia, Arkansas and Mr. and Mrs. Texas Lawrence, relatives from New Albany, Conn. Also joining in for the fun and merryment was Dan's mother, Mrs. Jennie Minier from Dushore, Penn. Also in the group was some close friends Mr. and Mrs. Herb Stock from Househead, New York, with their two grandchildren from Norfolk, Va. They really threw out the red carpet and got in lots of visiting.

This Saturday night all of you bodies need to tune in on Channel 4 after the 10:30 News, and see a very worthwhile film, entitled "Breath of Life" which shows you how to give mouth-to-mouth resuscitation sponsored by the Amarillo-Potter County Heart Association.

The same film will be shown at the YWCA at 7:30 p.m. on August 9th and is open to all interested people. At that time they will have an R.N. on the program who will demonstrate mouth-to-mouth resuscitation with a very life-like model known as a Resuscian. It would behoove those of us who can to catch either or both of the programs.

Mel Adkins and the quartet he sings with, the "Revelations", performed with the Amarillo Symphony under the direction of Dr. Thomas Hohstadt at the Palo Duro Amphitheater this last Sunday evening. Those of us who missed it will be happy to learn that the "Revelations" will be doing the same show this Sunday evening for free in the Elwood Park at 8:30.

Rites Scheduled For Mrs. Smith, Accident Victim

Funeral services will be conducted at 3 p.m. today in N. S. Griggs Pioneer Chapel for Mrs. Ruby Kaythern Smith, 27, who died at 7:30 p.m. Monday in Northwest Texas Hospital.

The Rev. Jim Scott of Immanuel Baptist Church will officiate. Interment will follow in Memorial Park. Family of the deceased woman have requested that the casket be closed at all times during the services.

The Palisades woman died as a result of injuries received in a two-car collision at the intersection of South Osage and Hollywood Road earlier Monday. She was a passenger in the car driven by her husband, Raymond Frank Smith, 30, who was treated and released from Northwest Texas Hospital. The couple's son Robert Williams, 3½, who was with the couple, was not injured.

Mrs. Anna Schmitz Erwin, 48, of Amarillo, was driver of the second car traveling west on Hollywood when it struck the Smith car broadside. Mrs. Erwin was listed in satisfactory condition Wednesday at Neblett Memorial Hospital where she was taken for observation.

Mrs. Smith was born Dec. 20, 1943, in Pampa. She had been living in this area for 3 years and was employed by Furr Food, Inc.

Mrs. Smith is survived by her husband, Raymond; two sons and a daughter, Mark, Robert and Elizabeth Ann; two brothers, Bill Bullard and Ricky Bullard, both of Denton; four sisters, Mrs. Mary Pharr of Denton, Mrs. Doris Ann Walker of Fondulac, Mich., Mrs. Martha Butler of Arlington and Mrs. Patty Sue of Denton; her parents, Mr. and Mrs. J. W. Bullard of Denton and her grandparents, Mr. and Mrs. M. S. Jenkins of Malvern, Ark.

Mrs. David Spivey

Miss Debby Ruthart and David Spivey were united in marriage at 7:30 p.m. Saturday in Trinity Baptist Church in Amarillo, with the Rev. John Lee Harris of Dallas officiating the double ring ceremony.

Parents of the bride are Mr. and Mrs. Donnie Ruthart of Amarillo. Spivey is the son of Dr. and Mrs. Henry A. Spivey of Amarillo.

Prenuptial music and wedding marches were presented by Mrs. Lynn McGee, organist, and Mrs. Newman Dollar and Miss Rhonda Sutton, soloists.

The altar was flanked by two brass stands of white gladioluses and pom pon mums with four 7-branch candlelabra. A 15-branch candlelabra decorated with lemon leaves and a kneeling branch formed the background. The aisles were marked with brass candle holders and white satin bows.

Honor attendants for the bride were Miss Marilyn Ruthart, and Miss Rhonda Sutton. Other attendants were Miss Lynda Haynes, Miss Joni Ruthart and Mrs. Jerry Whatley of Tucumcari, N.M. They wore floor-length gowns of baby blue shantung, designed with empire waistlines, short puffed sleeves detailed in white lace, high necklines and stand-up collars. They wore white wide-brimmed hats with open crowns and ribbons cascading down the back and carried nosegays of white daisies and pom pon mums.

Candlelighters were Janice and Brenda Ruthart, sisters of the bride.

Flower girl was Treva Ruthart of White Deer. Ringbearer was Scott Ruthart of Plainview.

Given in marriage by her father, the bride wore an empire-styled gown designed and made by her mother of miramist and crepe. The reembroidered French lace bodice featured a scalloped neckline and long full sleeves with matching lace-edged cuffs. The gathered skirt fell into a chapel train. She wore a chapel-length veil of bridal illusion edged with matching lace attached to a satin bow. She carried a cascade of white roses and stephanotis with baby's breath and white satin streamers atop a white Bible.

Best man was Mike Hamblin of Amarillo. Groomsmen were Stroud Brown, Cary Walker, Doyle Goebel of Amarillo and Phillip Spivey of Dallas.

A reception in Fellowship Hall of the church honored the couple following the ceremony. The bride chose a two-piece ensemble of navy and white knit with pleated skirt and high neckline for travel to Colorado Springs, Colo. The couple will live at 3104 B Curtis in Amarillo.

For the wedding Mrs. Ruthart wore a yellow dress with matching coat and accessories. The bridegroom's mother wore a dress of blue with matching accessories.

Mrs. Spivey is a graduate of Tascosa High School and is a sophomore at West Texas State University majoring in elementary education.

Spivey is also a graduate of Tascosa High School and is a sophomore business major at WTSU. He is employed at Kiddie City in Amarillo.

Anna Adams Feted By Bridal Shower

Miss Anna Adams, bride-elect of James R. Harrison, was honored with a miscellaneous shower Friday in the home of Mrs. Hosea Foster of 2006 3rd Ave.

Co-hostesses were Mmes. Louis Hinders, Earl Reynolds, Brad Castleman, Charles Gerald, Rose Russell, Sam Jolly and Marion Higdon and Luke Miller.

Greeting guests were Miss Adams, Mrs. Ivan Adams and Mrs. Lennie Ola Buie, the honoree's mother and grandmother, and Mrs. Foster.

Sisters of the honoree, Peggy and Sheryl Adams, served.

Karen Badrow registered guests.

The couple plans to marry Aug. 20 in First Christian Church.

Cook-Taylor Vows Recited In Amarillo

Miss Linda Kathleen Taylor and Lt. Gary Dean Cook were married in a double ring ceremony at 7:30 p.m. Saturday in Tascosa Baptist Church, with the Rev. Howard G. Lyons officiating.

The bride is the daughter of Mr. and Mrs. Lawrence W. Taylor of Rt. 2. Mr. and Mrs. Dean Cook of 408 Thompson Lane are parents of the bridegroom.

Presented in marriage by her father, the bride wore a white miramist gown which she designed and made. It featured petal point cuffs on bouffant sleeves with lace enhancing the bodice, cuffs and neckline. She wore a three-tiered elbow length veil on a Juliet cap.

The altar was decorated with a 14-branch candlelabra flanked by a spiral candlelabra. A large center candle was placed on the altar, with two tapers for the candle ceremony.

Matron of honor was Mrs. Deborah Dodson Farnum who wore a lilac miramist gown. Maid of honor was Miss Linda Susan McNeil who was gowned in light turquoise. Other attendants were Mrs. Charlene Barker who wore pale pink, Miss Jane Taylor who wore light turquoise and Miss Sara Taylor who wore pale pink. The gowns were designed of sparkle miramist with high waistlines, puffed sleeves and lace at the collars.

Candlelighters were Laura Taylor and Ronnie Morton. Ginger Sauer was flower girl, escorted by Deland Dick. Dwight Dick was ring bearer.

Best man was Galen Gatten of Dallas. Groomsmen were Jim Cook of Amarillo, the Rev. Keith Barker of Canyon, Don Abbott of Weatherford, Okla., and Lt. Chris Biddy of Canyon.

Andy Moreland, J.E. James and David Simek, all of Canyon seated guests.

Musical selections were presented by Mrs. Jim Dick, pianist; Mrs. Shirley Williams, organist; Sara Taylor, violinist; Jane Taylor, flutist; Kathy McNeil, soloist, and Mrs. Reta Scott, and Mrs. Linda Peck.

Following a reception in the church parlor, the couple traveled to New Mexico and Colorado. The bride chose a pale turquoise and white pant suit with white straw hat and white scarf. They plan to live in Canyon when they return.

The bride is a May graduate of West Texas State University. She was president of the Student Activities Council and a member of Beta Beta Beta biology fraternity and Lambda Chi Alpha Crescents. She will be employed by the Amarillo Independent School District as a teacher.

Cook is a 1970 graduate of WTSU and is working on a master's degree in business administration. At WT he was president of the student body and the Student Activities Council and a member of Beta Beta Beta, Lambda Chi Alpha social fraternity and Scabbard and Blade. He is employed as assistant dean of student affairs for student activities at WTSU.

Shower Honors Phyllis Biddle

Phyllis Biddle, bride-elect of Bob Gruner, was honored with a miscellaneous shower Thursday in the home of Mrs. Marshall Rockwell on the Canyon Expressway.

Co-hostesses were Mmes. B. E. McCormick, L. S. Johnston, John Cook, M. O. Olson, Wayland Angel, Ralph Ruthart, E. A. Michael and Geneva Fulton.

Crystal appointments were used with the bride-elect's chosen colors of yellow and white.

Forty-nine guests attended.

The couple plans to marry Saturday in Vega.

News Brief

Lou Bolton and his sister, Mrs. Girtha Burgess, returned Monday after a visit with their sister, Mrs. Hazel Richardson of Wheeler.

Couple Repeats Twin Ring Vows

Double ring vows were read at 10:30 a.m. Saturday in First Christian Church in Amarillo for Jane Lingelbach and Lt. Charles Thomas Caballero. The Rev. Darrell W. Evans officiated.

Parents of the bride are Mr. and Mrs. John H. Hodges of Amarillo. She taught elementary school in Honolulu, Hawaii, and in Amarillo after receiving a bachelor's degree and a master's degree in education from West Texas State University.

Caballero is the son of Dr. and Mrs. Emilio Caballero of Amarillo. He is a graduate of WTSU where he was listed in "Who's Who Among American Colleges and Universities," and is a member of Alpha Chi scholastic fraternity. He previously taught art in Amarillo. Both were members of Kappa Pi art fraternity.

The church was decorated with urns of white mums.

Miss Janine Sadler was honor attendant for the bride and wore a pink crepe floor-length dress with a pink headpiece.

Best man was Dr. Emilio Caballero. Guests were seated by Tom Hodges, Tom Bautell and Dean Schickedanz.

Presented in marriage by her father, the bride wore an ivory peau de soie and lace gown. Her mantilla veil of ivory lace was a Caballero family heirloom from Spain. She carried a white Bible topped with a white orchid.

Following a reception in the church parlor, the couple left for a wedding trip to the east coast, Washington, D. C. and New York. They will live at Shaw Air Force Base in South Carolina where the bridegroom is stationed as an air traffic control officer. The bride chose a pink knit suit for travel.

Mrs. Caballero plans to teach first grade in Ft. Sumter.

Mrs. Gary Cook

Notice to Long Distance Telephone Users

Effective September 1, the charges for long distance calls within the State of Texas will be changed as follows:

- Rates will be reduced on most station-to-station calls dialed direct, without any operator assistance.*
- New one-minute initial period calls will be introduced, at low night rates, for station-to-station calls dialed direct without operator assistance between 11 p.m. and 8 a.m.* This will make it possible to call anywhere in Texas for 22¢ or less.
- Time periods when the various customer dialed rates are effective will be the same as those for interstate calls.
- Rates will be increased on all person-to-person and station-to-station calls requiring operator assistance in any way, except as noted below.*

*Where direct dialing is not available, the customer dialed rate will be charged for station-to-station calls from non-coin phones, on which the caller furnishes the area code and number, and the call is charged to the telephone from which it is made.

ty tax rolls since 1959 thus posing additional work to the office, according to Mrs. Bruse. Also she said identifying each piece of property in precinct 3 will mean additional time needed to produce the tax rolls.

Mrs. Bruse predicted an additional two persons would be needed in her office to complete the work on the statements with the hospital district rolls included.

In other action Monday, Commissioners voted to hire Carl Baker as county road superintendent for $700 per month to replace Bob Burns who was terminated last week by the court.

The county received $26,592.25 from Joe Nelson, of the Texas Highway Dept., as the county's share of the surplus for lateral roads.

County clerk LeRoy Hutton said he has checked 1418 names on a liquor-by-the-drink petition for north Randall County and his office still has another 1248 names on petitions that have not been verified.

"I am afraid if the rest of these petitions come in on Friday I will not have them all counted and certified by Monday for commissioners court," Hutton expressed.

val at Northwest Texas Hospital. Wynne, son of Police Captain and Mrs. L. R. Wynne, and Sharp were also taken to Northwest Texas. Wynne was released Saturday and Sharp remains in satisfactory condition. He will be arraigned when released from the hospital.

The Wynne car was struck on the passenger side and thrown into the yard at 4319 Travis. The pickup came to rest in the yard at 4321 Travis.

Funeral services for "Matt" Bruce were conducted at 4 p.m. Monday in the First Baptist Church of Amarillo with Dr. Winfred Moore officiating.

Burial was in Llano Cemetery.

He was born in Amarillo March 6, 1953, and had enrolled in Amarillo College for the fall. He was a member of the First Baptist Church.

Survivors include his father of 5800 Burlington; his mother, Mrs. Eloise Bruce of Falls Church, Va.; one brother, Robert Charles Bruce of Falls Church, Va.; three sisters, Mrs. Helen Moreman of Alexandria, Va., Mrs. Ray Cullin, Jr., of Sacramento, Calif., and Mrs. Mack Laurie Jones of Houston; and a grandmother, Mrs. C. O. Matthews of Falls Church, Va.

Commissioners told him to hire additional help if needed.

Umbarger fire department report showed four fires fought since January of this year. The county pays $25 per call made by the department within the county.

Commissioner Jim Fletcher said the fire equipment at Tanglewood is near ready for use.

Adams recommended to the board after the awarding of the contract that in future years a different form be drawn up to show the bid prices and conditions.

"This is difficult to discern because of the different categories," Adams explained.

Jacobs said the suggestion would be studied.

King said if membership is maintained from the elementary and junior high enrollments, a larger marching band will be expected during the fall. After marching season, the marching band will be divided into a symphonic and concert band situation with the more advanced students playing in the symphonic band.

"This is if the membership continues to expand," King stated.

Metro officers said Roberts body guard missed his employer on Aug. 15, 1970 and waited 24 hours before reporting him missing as Roberts had earlier instructed him to do.

The power of attorney papers in question were revealed by Horton only a few days later, according to officers.

News Brief

colonel's resignation was more or less forced by terms of the appropriations bill which requires five years of experience for the position, a qualification Givens could not meet.

Board President Virgil Patterson was appointed to look into the possibility of continuing the employment of Mrs. Newton Crain four months past Sept. 1 so she can qualify for teacher retirement.

Mrs. Crain, archivist in the museum's Hall of Government, cannot meet the qualifications stipulated in the appropriation bill which becomes effective Sept. 1. McClure said she could be employed in the museum in some other capacity.

Patterson noted that the Nita Stewart Haley Memorial Library, a Texana collection on loan by J. Evetts Haley, Sr., has been moved out of the museum.

Joe Mabee, Midland, board vice president, was appointed to look into status of mineral rights willed to the museum by Mrs. Olive Haley Smith, aunt of J. Evetts Haley, Sr. Estimated value of the disputed mineral rights was placed at $20,000.

Members of the board agreed to study amendments to the society charter before it is renewed in 1973.

Patterson called an executive session which he revealed Wednesday was for the purpose of discussing a possible acquisition by the museum. He said the names of the possible donors could not be made public at the present time.
